

New Member Committee
Vestry Report – October 2020

Unfortunately, there is not much to report since COVID-19 hit our community. Our last new member meeting was held on February 2, 2020 and monthly meetings have been on hold since then. In connection with updating the Directory, Genie DuPell advised us of several new members. These new members have been contacted as part of the Calling Ministry, most recently to let them know of the return to limited in-person worship. We have reminded Ashley and Kara to let us know if any new members join so we can contact them personally.

Because the Church is reopening and when there is a need, we would like to begin New Member meetings again, perhaps between the 9:00 am CFW and 11:00 Traditional Services to capture new members from both. We would coordinate the scheduling with the office and follow all safety protocols.

Perhaps, Fr. Todd and Fr. Christian could mention during the announcements that newcomers to St. Mary's can join by contacting the office or clicking on "Becoming a Member" under the "Next Steps" tab on the St. Mary's Website.
